# ACTION pro

## Features

ACTION PRO has a **total capacity of 30 L** divided between cleaning solution and rinse water.

The front basin containing the cleaning solution is equipped with a **graduated scale in litres and gallons** to facilitate dosing of water and cleaning solution.

### PROFESSIONAL

double bucket to separate rinsing water from detergent solution

### TWO DRAIN-PLUGS

front and back, to empty liquids out easily

### HANDY

double handles to carry it easily

### ERGONOMIC

higher than the traditional buckets it allows the operator to work while standing

### EFFICIENT

it cuts working time and saves cleaning solution

### STACKABLE

thanks to removable four 80 mm wheels

### ECO-FRIENDLY

completely made of polypropylene, non-rusting, solid and entirely recyclable

### VERSATILE

suitable with Tec, Wiz, Dry and O-Key wringers

## Total outflow

**Equipped with two drains** for emptying liquids, one at the front and one at the rear of the bucket, complete with a gasket for watertightness and a closing lever.

## Partial outflow

**Rinsing water is always clean:** thanks to the back drain-plug it can be emptied any time you need, without throwing away cleaning solution at the same time

Maximum result, minimum effort

# Wiz

DESIGNED TO AMAZE YOU

✓ FLEXIBLE

*Always ensures ideal wringing*  
4 different wringing intensity levels

✓ EFFICIENT

*Reduces floor drying time*  
Wrings **10 to 20%** more than traditional wringers, reducing floor drying time\*

✓ ERGONOMIC

*Less strain*  
Reduces from **50 to 70%** the effort required for wringing, less strain\*

\* Results of the comparative analysis carried out with Wiz wringer and a jaw wringer. The percentage value varies according to the set wringing intensity.

## Clean is worth double

Combining **Action Pro** with **Wiz** allows you to optimise wringing while minimising effort

**Wiz**  
ACTION  pro
