HYDRO POWER® RO M

THE SHEER POWER OF PURE WATER

NEW!

Quality Tools for Smart Cleaning

HydroPower® RO M : The sheer power of pure water

SMART DESIGN MEETS HIGH PERFORMANCE

When it comes to designing groundbreaking solutions for safe and efficient cleaning, UNGER is always at the forefront of innovation. Meet our latest development – the **HydroPower® RO M** pure water filter.

This compact yet powerful mobile filter impresses with its outstanding performance features and easy operation – a real added value for professional window cleaners.

100% PURE WATER

The **HydroPower® RO M** demineralizes the water in a 3-stage process. The combi pre-filter removes fine particles and chlorine. The high performance double membrane filters out up to 98% of the minerals. In the third stage the remaining minerals are bound by an ion exchange resin.

1 HIGH PERFORMANCE

- 2 x RO membranes deliver impressive pure water output: up to **350 L/hr**
- Powerful enough for **2 operators** to work simultaneously
- **Adjustable flow rate** allows to optimise filter performance to specific job requirements, extending lifetime of RO membrane and ion exchange resin
- Quiet operation thanks to the **latest pump technology**

2 COMPACT & ROBUST DESIGN

- **Heavy duty stainless steel frame** with maintenance free solid rubber wheels
- Durable **metal quick-release connectors**, designed to eliminate leaks or drips
- Filter unit made of **premium quality thermoplastic** to protect the filter from accidental damage
- High-quality materials ensure a long service life **“Made in Germany”**

3 ULTRA FAST & EASY CARE

- **FastLock opening** makes easy job of changing filter cartridges in seconds (up to 30 times faster*) – simply pull up by the lid and twist to unlock!
- Integrated **TDS-meter**, shows performance level of membranes and resin filters.
- Fast and effortless **water drainage** and application of RO membrane protection liquid
- Easy and fast filling of care products for longer service life

*compared to standard RO systems (e.g. UNGER RO60C)
